SALISBURY, NC, PRESS BRIEFING SCHEDULED FOR INFORMATION ON THERMAL IMAGING CAMERAS

SALISBURY, NC — A press briefing is scheduled for Tuesday, June 17, to provide information with regards to the donation of thermal imaging cameras to Salisbury Fire Department and Miller's Ferry Volunteer Fire Department, respectively. Information with regards to the use of thermal imaging cameras utilized at the structure fire at the Salisbury Millwork Building located at 1910 S. Martin Luther King Jr. Blvd. (formerly S. Boundary Street) on March 7, 2008 will also be shared.

WHO: Salisbury Fire Department, Miller's Ferry Volunteer Fire Department

WHAT: Press briefing where information will be shared with regards to Firehouse Subs' donation of two thermal imaging cameras, one to each the Salisbury Fire Department and the Miller's Ferry Volunteer Fire Department. (Presentation will follow shortly at the 4 pm scheduled Salisbury City Council meeting.) Media will be briefed with regards to the use of thermal imaging cameras during the large structure fire at the Salisbury Millwork, which completely destroyed the approximate 118,000 sq. ft., structure on March 7, 2008 with estimated structural damages at 1.5 million.

WHEN: Tuesday, June 17, 2008, 3 p.m. EST

WHERE: Salisbury City Hall, Council Chambers at 217 S. Main Street, in Salisbury, N.C., 28144
